About Children's Hospital Colorado

Children's Hospital Colorado is dedicated to providing a place where kids can be kids while receiving expert, world-class care. By partnering with local businesses, gamers, students, golfers, and more to raise critical funds to support our most urgent and strategic needs, the impact and outcomes for our patients and families increase exponentially. Community support helps us care for more kids than any other hospital in our seven-state region and drives life-saving innovations and discoveries for kids.

Silent and Live Auction

We kindly ask that you bring donated items to place on our silent/live auction. This could be Viper memorabilia, autographed items, car parts, magazines, toy models, shirts, and other fun items.

If you would be willing to donate a piece of your Viper collection this year, please get in touch with Kenady at kenady.heithoff@lpl.com or text 402-200-5926 to let her know what you plan to bring. There will be a representative from the charity at the banquet to handle all voluntary donations.
